

## CONSUMER OR CONSUMED | WEEK 7

**Date:** February 25, 2023

**Verses:** Psalm 84:12

### SERIES INSIGHT

In our first full series for 2024, *Consumer or Consumed?*, we are tying in the heartbeat of “Hallelujah” and taking a more introspective look at ourselves and our longing and hungering for God. We are ineffective being just “consumers”. But something comes alive in us when we bask in the presence of God as he “consumes” us - he is after all, an all consuming fire (see Hebrews 12:29).

### ICEBREAKER

- If you could travel anywhere, where would you go?
- Would you rather get free plane tickets or free accommodations for the rest of your life?

### DISCUSSION QUESTIONS

1. **Review the Message.** Looking back at your notes and upon reflecting on this weekend’s message, what was your one takeaway from Sunday?
2. Read through Psalm 84. As we come to the close of this series, what have been some of your main takeaways, “AHAs”, or action steps?
3. Share how our word for the year, “Hallelujah” has been incorporated into your life over these past 7 weeks. What has it meant to you? In what ways has it challenged, motivated, or impacted you?
4. Throughout this series, we’ve defined that someone who trusts in God is all in. They’re fully consumed. It’s a definition of faith. That in mind, on a scale of 1 to 6, how would you score yourself in your trust in God? Share why you rated yourself that way.
5. Share about a time where you got to show someone what it looks like to trust in God or share about time someone showed you what it looked like to trust in Him.
6. What areas of your life do you need to trust God? Are there places where you’re struggling to do so? How can your group (or the church) come alongside you as you work that out?

### PRAYER

Allow people to share requests and celebrate any praise reports as well. Consider having someone write down the requests to share with the group. Take time to pray however long your group needs.
