

WEEK 8 | ONE NAME

Date: March 2, 2025

Verses: Matthew 6:13

SERIES INSIGHT

One Name is a series primarily focused on prayer. We will be looking at the Lord's Prayer in Matthew 6 and leaning in on how Jesus teaches us to pray. Our priority is to connect with the one God, in oneness with God, so we might live out lives in oneness with others.

ICEBREAKER

- you could hang out with any cartoon character, who would you choose and why?
- Other than the Bible, what's a book that has deeply impacted you?

DISCUSSION QUESTIONS

1. **Review the Message.** Looking back at your notes and upon reflecting on this weekend's message, what was your one takeaway from Sunday?
2. What does it mean to ask God not to "lead us into temptation"? How does this align with James 1:13, which says God does not tempt anyone?
3. In what ways do you experience temptation in your daily life? How do you typically respond to it?
4. How can we rely on God's strength rather than our own when facing temptation and spiritual battles?
5. What practical steps can we take to pray for protection and deliverance from evil in our personal and communal lives?

PRAYER LIFE-APPLICATION

Encourage each group member to spend time this week intentionally praying for God's guidance and protection. They can use the model of the Lord's Prayer by specifically asking God to help them recognize and avoid temptation. Additionally, encourage them to identify an area of struggle and pray for deliverance, seeking accountability from a trusted friend if needed.

PRAYER

Share requests and celebrate praise reports. Take time for your group to pray for however long is needed.

PRAYER FOR THE YEAR

King Jesus,

We pray for an outpouring for the presence of God in:

Our heart, our home, our church, our city.

That may result in an awakening that leads to transformation of:

Our heart, our home, our church, our city.

In Jesus' Name, Amen!
