consumer or consumed?

SERIES INSIGHT

Every year, Pastor Des shares his word for the year. This word is an outflow of what the Lord is leading him in personally, but also the vision he is bestowing upon him for Grace Community Church! This one-off message is a lay up to our upcoming new series called ***Consumer or Consumed?*** and is designed to inspire and motivate us in what God is doing in our lives now and for the New Year!

ICEBREAKER

- How were your holidays?! Share a favorite moment or memory over the past few weeks.

DISCUSSION QUESTIONS

1. **Review the Message.** Looking back at your notes and upon reflecting on this weekend's message, what was your one takeaway from Sunday?
2. Looking back over 2023, share one meaningful memory or highlight.
3. Did you set any New Year's goals or resolutions this year? Share one with the group! If not, what is one thing you want to see happen in your own life this year?
 - **Leader Note:** Consider encouraging your group to jot their goal/resolution down and hang it up where they can see it regularly for the next few weeks.
4. With the New Year in mind, what do you sense God is doing/wants to reveal in your life this year?
5. Consider thinking beyond goals/resolutions. Is there a certain word, phrase, and/or verse you sense God impressing upon you for 2024? Maybe a certain focus or emphasis He might have you focus on or adopt?

PRAYER

Allow people to share requests and celebrate any praise reports as well. Consider having someone write down the requests to share with the group. Take time to pray however long your group needs.
