

## LET HIM TAKE THE WHEEL

## WEDNESDAY DINNER

*8 "Remember this, keep it in mind, take it to heart, you rebels. 9 Remember the former things, those of long ago; I am God, and there is no other; I am God, and there is none like me. 10 I make known the end from the beginning, from ancient times, what is still to come. I say, 'My purpose will stand, and I will do all that I please.' 11 From the east I summon a bird of prey; from a far-off land, a man to fulfill my purpose. What I have said, that I will bring about; what I have planned, that I will do. 12 Listen to me, you stubborn-hearted, you who are now far from my righteousness. 13 I am bringing my righteousness near, it is not far away; and my salvation will not be delayed. I will grant salvation to Zion, my splendor to Israel. (Isaiah 48 8-13)*

Sometimes I have a hard time letting go. I don't know how difficult it is for you to let the God of the Universe take over in your life, but if you are anything like me you at least like to have a little say in "the way things go". When I did my last fast I was at this weird point where I wanted so badly to be in charge, find my own answers, and be my own prescription, but God had different plans. God's plans were to make me realize that I actually had no power. He did this through some intense bouts with hunger pains, and by revealing his true power and majesty through His word! I mean our verses for today from Isaiah essentially exclaims how powerful and mighty our God is, and how frail the tiny grip is that we have on "The Wheel" of life. We ALL need to hear that we pale in comparison to our Mighty God. Then, when we can start to understand our place we can truly begin to understand his love. The love that it takes for God to WANT us, to CHASE us, and RESCUE US! Today let's find our place in the passenger seat, and relax in the love of the father!

Journal: What are some things that you need to let go of today?

Prayer: God, You are God! I am not! Let today be a day where I find my place, let go of the things that I have been holding on to too tightly.
