Prayer Requests:

1. What concept or scriptures stood out to you most?
2. Can you remember a time when you saw the Lord use another person to help answer your prayer?
3. Have you ever had someone tell you, "The Lord used you..."? If so, what was that like?
4. In what ways could this change our outlook for each new day?
5. Have you ever gone through a class like the "Develop" Class and discovered your gifting and SHAPE? What are some possible benefits of doing that?
6. What is one action point or next step for me?
