We invite you to join us for our Fall Bible Study through the gospel of John. In John's gospel, we will see God's rescue plan for a world filled with sinfulness, division, and crisis through His Son, Jesus. This is a great opportunity to learn alongside others in our church body and dive deeper into God's word - getting to know who Jesus really is and what he came to do.

This twelve week study of John will be split in half, studying six weeks together in the Fall and six weeks in the Winter. The Fall study will **start the week of October 3rd** and run through the first week of November. Each week we will have a podcast teaching available online to listen to, and separately meet in small groups that are gender-specific to discuss the Scripture passages and questions for that week.

Please register by Sept. 29th at veritascolumnbus.com/john. The content was written by Justin Buzzard and is available for free through a partnership between the *Gospel Coalition* and *Crossway*. You can find the study for free online at veritascolumnbus.com/john. If you prefer a physical copy, we encourage you to order that on your own before we begin the study.
