The Final Answer - The Lamb's Victory

Part 3 | Revelation 14:1-20

INTRODUCTION	NOTES
In our culture today, we don't understand God's wrath. We would rather focus on God's love, but Scripture balances the God of love with the God of justice. You need to understand that His love is also balanced with His wrath. If you emphasize one of the characteristics of God without looking at the other characteristics of God, you are not seeing a clear picture of God. In today's key passage of Scripture, we are speaking of God's wrath and aiming to understand how that balances with His love.	
KEY POINTS	
1. The Lamb If you understand the Old Testament, you realize how important the lamb was during the Passover Feast. Even now, practicing Jews observe the feast that took place in Egypt before God set His people free.	
It is a picturesque and powerful picture of the Lamb. But that's not the only picture we see in Scripture. The Lamb of God came to this planet on Christmas day. For 33 ½ years, He lived among men. Those final 3 ½ years of ministry were to proclaim the Gospel.	
He came to go to Calvary and shed His blood, for your sin and my sin. Do you get that picture? When you receive Christ as Lord of your life, the blood of the Lamb is over the doorpost of your heart and your life. Thereby, you will not receive the judgment and wrath of God. This is a very exciting picture!	
2. The Three Angels - A Proclamation Angel - A Pronouncement Angel - A Prediction Angel	
 3. The Saints Encouraged God's Saints need to be patiently enduring God's Saints need to be faithful God's Saints need to live for tomorrow today
