The Final Answer - The False Prophet (Part 2)

Revelation 13:11-18

INTRODUCTION **NOTES** As you know, we are taking one step after another to unpack the Book of Revelation. Today, above all days, your eyes will be opened. Today, we are looking at Chapter 13. It will literally catch you off guard, but it should open your eyes as never before. You will realize how close we are to the Second Coming of Jesus Christ. The Bible teaches us that the Second Coming of Jesus is twofold. First, there is the Secret Coming of Christ for His Saints; that is called the Rapture of the Church. We will immediately be with Christ at that moment in time. There will be a vacuum in this world when believers leave this planet. The Great Tribulation will last for a period of seven years. The first three and a half years will not be as bad as the horrible and disastrous last half of the Great Tribulation. That second half is what we're going to dive into today. **KEY POINTS** 1. The Characteristics Of The False Prophet Examined The Greek word "allo" means another of the same kind. - The phrase "two horns like a lamb" tells us about the counterfeit nature of Satan. - The phrase "it was speaking like a dragon" is blasphemy. 2. The Confirmation Of The False Prophet Exposed The whole purpose of the false prophet is to point all men to another, the antichrist. He is the one with his counterfeit nature and focus of religion. He has the power and authority given to him from the first beast to speak to all the inhabitants of the earth. His whole purpose is to honor the first beast. He is seeking to call for the worship of the antichrist. Because the antichrist survived a fatal head wound from an assassin's bullet, he becomes the hero of the day. He is satanically empowered. You know how our culture loves heroes. The antichrist becomes the man of the day, who can do no wrong. He doesn't have to say much about how wonderful he is because the false prophet serves as his spokesman. He is full of himself with no humility. The false prophet has the ear of the antichrist, and he will influence the global community. His whole focus is for the entire world to worship and honor the antichrist.
