## **Becoming an Acts 2 Believer**

## Part 10 | Acts 2:42-47

## INTRODUCTION

## NOTES

Scripture tells us this tension should not surprise us. God is pouring out His Spirit in the last days, yet Scripture also says terrible and evil times will come. These realities are not contradictions; they are complementary. As believers, we must live in this tension, trust God to be God, and anchor our lives not in political systems or cultural movements, but in King Jesus. This brings us to Acts chapter 2, where we see a clear picture of what the church looks like when the Spirit of God is actively moving through the lives of believers.
