REVELATION

The Final Answer - This World Is Not Your Home

Part 1 | Revelation 18-19

INTRODUCTION

As we continue our study of the book of Revelation, we feel a sense of urgency to be prepared for Jesus' second coming. The Lord could return at any moment; therefore we need to be living like we're ready for Him to come very soon. With that in mind, we should be living as though this world is not our home, because it's not. We are aliens here. We weren't designed for this. We were made for something greater. We have so much to look forward to as followers of Christ. We have a better home to hope for, and that's exactly what we're going to dive into studying today and continually over the next few weeks.

KEY POINTS

1. A Pronouncement From Heaven

- You will have peace, confidence, and authority
- Have you heard God speak?
- John captures the prophets' "Song of Doom"
- God has a plan
- Scripture is clear about sin
- Be strong in Christ

The Final Answer - This World Is Not Your Home

Part 1 | Revelation 18-19

QUESTIONS TO CONSIDER

- 1. Do you live with the mindset that this world is not your home, or do you find yourself trying to make this world as comfortable of a home as possible, often forgetting about what is to come in eternity?
- 2. When was the last time God spoke to your heart? What did He say? If you can't remember the last time, ask the Holy Spirit today to speak to your heart and give you wisdom.
- 3. Do you ever doubt God's plan for your life? If so, why?
