Part 2 | Revelation 17:1-18

INTRODUCTION	NOTES
As we continue our study of the book of Revelation, we are going to go further into the 17 <sup>th</sup> chapter of the book and learn more about all that John saw when he was shown the end times. There are a lot of dark and heavy topics we need to discuss in the book of Revelation, but we'll also see in today's message that we can remain hopeful because Jesus is victorious in the end!	
KEY POINTS	
1. The Woman's Identity Revealed  If you read today's key passage Scripture tells us who the Woman is. In verses 7-18, we see the entire identity of who she is. Verse 18 is the key. The Woman (the False Church) is the great city that rules over the kings of the earth. We have a great city that is the False Church and the Woman rules over the kings of the earth. The Woman rides on the back of the beast. This demonically inspired False Church is focusing on the things we have discussed. "She is around many waters." That is not to speak of the oceans, but rather the multitudes of people.  2. The Beast Described  In verse 8 (and following), John told us that the beast, which you saw, once was, now is not, and yet will come. Undoubtedly, this is referring to the Antichrist who will take a mortal head wound, and then bounce back. However, the concept of evil in the world (appearing and disappearing) is much like this.	
3. The Victory To Come I love to read these words because they are so promising. "They will wage war against the Lamb, but the Lamb will triumph over them because he is Lord of lords and King of kings and with him will be his called, chosen and faithful followers" (Revelation 17:14). The last battle of Armageddon is described here. They will wage war against the Lamb, but the Lamb will triumph over them. He is the Lord of Lords and King of Kings!
