The Final Answer - This World Is Not Your Home

Part 3 | Revelation 18-19

INTRODUCTION **NOTES** As we read today's key passage and continue our study of the book of Revelation, it is very clear that God is describing the judgment, the ruin, and the smashing of the World System, Babylon. It will all come down in one hour. The judgment of God will finally fall. This will be happening at the end of the Great Tribulation. As believers, we will not be here. Accordingly, while you are here, you can make a difference for the Kingdom of God before the judgment of God falls on this planet. This passage exists to motivate you, to give you insight and a mental picture of what will happen to our world. You can either say, "I don't believe that," and find yourself at odds with the Word of God, or you can take this and realize that God's Word is true. God has always kept His Word and His Word now tells us what will happen. **KEY POINTS** 1. A Pronouncement From Heaven - You will have peace, confidence, and authority - Have you heard God speak? John captures the prophets' "Song of Doom" - God has a plan - Scripture is clear about sin - Be strong in Christ 2. A Warning To Remember - Future viewing of this sermon - Key phrase - Do not be seduced by the world - Men and women - How can you live in this world and not be part of it? - This is the answer – stay in love with Jesus - You need a quiet time every day - We need the encouragement of others - Use your gifts - Be dependent on the Lord
