

Love

Galatians 5:22; 1 John

Fruit:

- It is always visible.
- It always bears the character of the tree/plant it is a part of.
- It is always for the benefit of someone else.

Central Point:

- Love is a decision to seek the well-being of another.
 - Love is an outbound lane of self-sacrificing.
 - When it's a one-way, inbound lane, it is selfishness.
