

## LIVE to Praise

1 Peter 2

**Justification**: *the moment one is declared righteous by God*

**Sanctification**: *the process of growing in righteousness*

### Central Point:

- How believers live, act, and talk gives praise to the One who called you out of darkness and into the light.
  - Win the battle of our heart and mind
  - Win the battle of sexual desires
  - Win the battle of submission
    - Yield the right of way unless it's against God's way
