

# I Am Never Alone!

Psalm 139:7-12

**Identity Amnesiac:** Someone who experiences partial or total memory loss of who they are.

**The biggest ENEMY that distorts our Identity:** Ourselves

## Central Point:

- I am never alone, as it is impossible to escape God's presence.
  - Why?
    - He is present in life and death.
    - He is present no matter the distance.
    - He is present in light and darkness.
