3DQ - 3 Discipleship questions to ask each other: What is God saying to you?
What are you going to do about it? How can I help?

The three discipleship questions above are mentioned in every handout. They are universally helpful. In order for our growing knowledge to lead to growing obedience, we are going to make the process questions be around these three.

1. **What is God saying to you?** (What point from today did you must need to hear? Was there something specifically God highlighted to you? Was there something that came to mind today as you heard and read?)
2. **What are you going to do about it?** (What is God's will for you in this? Is there a specific Scripture or command that you can root this in? What action could you take this week to walk in obedience? What is a small step of obedience?)
3. **How can I help?** (We are not just saved from our sins but to the family of God. How can others support you in your walk with Jesus? Where are you now experiencing that support? Where do you need more support?)
