3DQ - 3 Discipleship questions to ask each other: What is God saying to you?
What are you going to do about it? How can I help?

1. “If you continue in the faith” is a continual phrase. It highlights that faith is only true if it perseveres. The call is to be stable, steadfast, and not shifting from hope of the gospel. Would you describe your life as stable and steadfast right now? If so, what are the elements that are present that need to continue? If not, what is one point from this passage that you need to hear and apply to your life?
2. Re-read verse 17. In what way(s) are you trying to hold things together? What do you need to surrender to God’s control? ... Now spend time meditating on each word in that verse -- reading it over and over emphasizing a different word each time. (you can do this individually or

with others). After you do this, write down what the Lord spoke to you though this truth.
