# God Is Holy

Isaiah 6:1-7

- 1) Share any personal insights and impact from this week's message. What do you see more clearly about God? About yourself? About Jesus and the gospel? What is the emotional response to this passage?
- 2) Read Revelation 4. Identify and discuss in this throne room scene any similarities and differences from Isaiah.
- 3) Read John 12:37-43. This is where John tells us that it was God the Son whom Isaiah saw upon the throne. Discuss the response of the authorities, and the factors related to their response. In what ways might we be struggling with these same pressures?
- 4) Read Ephesians 1:3-10. How does Paul define the state of Christians before God because of Christ? Respond and interact over this, in light of Isaiah 6.
- 5) 1 Peter 1:13-21 with special attention to v. 15-16. What are the implications of the holiness of God, and that holiness conferred upon us? What specifically is the Holy Spirit (the Spirit, that is, of holiness) calling you to in pursuit of holiness?
