God Is Glorious

Isaiah 48:9-11

- 1) When you think of "glory" in the Bible, what do you think of? What passages of Scripture?
- 2) Why is God's purpose and priority of his name and his glory good news to us?
- 3) What is the connection between God's praise and our joy?
- 4) What ways do we disregard or work against the purpose and priority of God's glory in our lives?
- 5) How can we live more in light of and for God's glory in our lives?
