The Commission of the King

Matthew 9:36-10:4

- 1) Have you ever considered going into global missions? Why or why not?
- 2) How can you be a laborer in the current fields God has you in right now?
- 3) Go to Joshua Project and pick a couple people groups to pray for. Pray God would send laborers to these fields.
- 4) Discuss as a group ways you can engage in missions at Generations. See Scottie's missions packet #4 in [this folder](#).
