IN HOMESCHOOLING

And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart. Galatians 6:9

REASONS TO HOMESCHOOL

- 1) You will personally invest into your children's lives and education.
- 2) You will primarily train, discipline and shepherd them.
- 3) Choose curriculum that works for the learning style of each child.
- 4) More will be accomplished in a smaller amount of time.
- 5) Children can learn at their pace.
- 6) Children become independent learners and self motivated studiers.
- 7) Homeschooling fosters a love of reading.
- 8) Lessens peer pressure, bullying and unwanted influences.
- 9) Your children can spend more time outdoors.
- 10) Flexible schedule especially for family vacations.
- 11) More down time for kids, especially during changing teen years.
- 12) More time for children to develop their God given gifts.
- 13) Family relationships have more time to grow and be established.
- 14) And most importantly we as moms have the opportunity to pour the Word of God into your children all throughout the day!
