DISCIPLE'S QUEST

If you continue in My word, then you are truly disciples of Mine.

John 8:31

September 18, 2022 Angels – Part 1

Main Idea:

"(Angels) are ministering spirits, sent out to render service for the sake of those who will inherit salvation" (Hebrews 1:14). Today we will begin to examine the God-given ministry of angels to believers in Jesus.

Outline:

- 1) Three edifying things we should learn when we study angels in God's Word:
 - a. God's redeeming love for His people is great
 - b. By God's design, His holy angels minister to His believers in wonderful ways
 - c. God's angels provide an important example to follow
 - i. Through their obedience
 - ii. Through their worship
- 2) Two things we must never do with regard to Angels:
 - a. We must never seek personal contact with angels
 - b. We must never receive extra-biblical teaching that's purported to have come from an angel

Questions for further contemplation and application after the message:

#1	Do you agree with Pastor Vaughn that it is important to learn what the Bible teaches about angels? Why or why not?
#2	In Luke 15:10, Jesus said that "there is joy in the presence of the angels of God over one sinner who repents." Why do you think that?
#3	Read Psalm 91:11-12. Do you agree with Pastor Vaughn's assertion that as a believer you have almost certainly been aided by an angel or angels at times without even knowing it? Why or why not?
#4	What can we learn from God's angels about worship?
#5	According to the message, believers should never seek personal contact with angels. Why?
