Questions for further contemplation and application after the message:

- #2 According to John 14:16-27, how does the Holy Spirit encourage Believers in daily life?

- #3 Does the Ascension of Jesus assure us of His return?

- #4 When was the church "born"? By means of what event?

- #5 Read Luke 22:55-62 and Acts 2:14. What is the cause of the change in Peter?

Does the Holy Spirit still embolden Believers to be witnesses for Jesus today?
