

IM NOT GOING TO HELL

Verse 1:

In sin was I living, no thought was I giving
of dying or where would I go.
I was looking and abiding, so hard was I trying
to gain all this world had to hold.
No peace and no pleasure could I even measure
with all that I tried to gain.
I repented and prayed and God saved me that day,
and now I have got something to say.

Chorus:

I'm not going to hell.
I met the savior, what a story I tell.
I'm saved and forgiven, set free, all is well.
I'm not going to hell.
No, I'm not going to hell.

Verse 2:

Now my life's worth living since I've been forgiven.
Christ made a real change in me.
I'm no longer crying, when I think of dying
Cause heaven is waiting for me
Now Satan's still lying and he's always trying
To lead you down the wrong way.
But just call on Christ's name he'll save you today
Then look back to Satan and say...

Chorus:

I'm not going to hell.
I met a savior, what a story I tell.
I'm saved and forgiven, set free, all is well.
I'm not going to hell.
No, I'm not going to hell.
