Major Issues Most Christians Face

- A diluted faith
- Pride
- Bible Illiteracy
- How to respond to the issues of the day
- Is Christ REAL in my life?

The struggle all Christians face centers around what the Bible calls “life in the flesh and life in the Spirit – Doing life my way or God’s way.

TRUTH: The Holy Spirit working in and through you is the only way to overcome your struggles and doubts.

PROBLEM

If you try to live life in the flesh using your mind, your heart, and your resources, you will fail every time.

SOLUTION

- Set my mind and heart on what God wants for my life by studying the Bible
- Walk in the Spirit away from the flesh

Bottom Line

The Christian life is about learning to walk in the Spirit so you can conquer fleshly desires.
