True Worship is NOT

- A place (building)
- Adherence to the law
- Following traditions
- Separated by race

True Worship IS in SPIRIT

- A love relationship with God that involves our whole being
- A passion to know more about God
- A passion to follow and serve God

Five Ways to Love Practically Like Jesus

- Become more *mindful* – less detached
- Become more *approachable* – less exclusive
- Become more *grace-ful* – less judgmental
- Become more *self-giving* – less self-absorbed
