## The Truth about Failure

### Galatians

United Community Church, 2-18-24

Jordan Burks

Truth: God uses failures as an opportunity to learn, grow, and depend on Him.

### Three Lies about Failure

1. **Failure is forever** – Galatians 1:11-24  
Truth – God has a plan and purpose for your life that is greater than your failures.
2. **Failure is final** – Galatians 2:15-21  
Truth – God uses our failures to draw us closer to Him and trust Him more.
3. **Failure is fatal** – Galatians 3:10-14, 5:1  
Truth – Failure is an opportunity to learn from your mistakes and grow so you won't do it again.

### BOTTOM LINE

Failure is inevitable. How we respond to failure will determine how we grow in Christ.
