TRUTH: You must be intentional in your walk with Christ to be an effective and productive Christ follower.

**What Does It Mean to Pursue Christ  
Intentionally?**

- To have purpose in what you are doing
- To have specific goals in mind
  - ✓ Set your heart on following Christ
  - ✓ Set your mind on sharing Christ with others
  - ✓ Make a choice to live for Christ daily

**PRAY**

- Intentionally – Know who you are praying for and what you are praying about
- Strategically – Know how to pray
- Collectively – Know the power of praying together

**REACH OUT (OUTREACH)**

- Meet needs
- Minister to others with Christ's love
- Share Christ with others

**DISCIPLE**

- Personal discipleship
- Disciple others
- Be a disciple and disciple others to grow spiritually, to live as an example for Christ, and to build God's kingdom

**BOTTOM LINE**

Pursuing Christ must be intentional to grow spiritually, to be transformed into the image of Christ, and to lead others to have a transformational relationship with Christ.
