

# What Does it Mean for a Christ Follower to “Walk in Love”?

Ephesians 5:1-2

United Community Church, 3-17-24

Ron Burks, pastor

Truth: The world desperately needs to hear biblical truth and see biblical truth in action through godly examples.

## What it Means to “Walk in Love”

1. Walk as children of light – what is true, right, and good, 5:8-9
2. Don’t walk (take part) in the unfruitful works of darkness but expose them, 5:10-11
3. Walk in wisdom and make the most of your time by being filled with the Holy Spirit, 5:15-18

## BOTTOM LINE

The world will never see the light of God’s truth if we don’t let His light shine through us in what we say and how we act.
