TRUTH: God's love for humanity planned for Christ to come to earth to save the world through His death and resurrection.

Why did Satan want to destroy God's first family?

- Satan did not like the fact that they were God's creation & they belonged to Him
- Satan wanted Adam & Eve to disobey God and obey him
- Satan wanted to show God that God failed with His creation because they sinned

How did Satan try to destroy God's first family?

- Tempt Adam & Eve to sin against God & He will destroy them
- Kick Adam & Eve out of the garden & they will desert God
- Cultivate hatred in Cain's heart so he would murder his brother & God's family would fall apart

What can we learn about the God who created us?

- We have value because God created us in His image
- God loves us so much that He gave His Son, Jesus, to die on the cross for our sin
- God will do everything in His power to have a relationship with us, but we must choose to have a relationship with Him

BottomLine

Christ's birth is proof that God loves you and He wants to have a personal relationship with you. Will you choose to have a relationship with Him?
