

Where is God in Chaos?

Luke 22:44-53

United Community Church, 3-24-24

Ron Burks, pastor

Truth: Chaos in this world is the result of Adam's sin of disobedience. His sin condemned the world to chaos. However, we have confidence that God uses chaos to accomplish His purpose for our lives.

1. God is still at work even when your life is in chaos.
2. God's plan for your life never changes even when you feel abandoned.
3. In the end, God uses your life to glorify Him as a witness to His presence, power, and peace.

BOTTOM LINE

God is our source of peace amid chaos.
