## **Faith is not...**

- Looking to God like a genie in a bottle
- Following a religious system where you check your God box
- Belonging to a political party
- Following a charismatic person

## **What is God-honoring Faith?**

God-honoring faith is the assurance that God is actively working in your life and He will bless you with His presence and power as you obey His Word and live for Him.

## **How do I practice God-honoring faith?**

1. I practice faith in Him continually
  - I accept the reality that Christ lives in me
  - I firmly believe what Christ said about my salvation and my relationship with Him
  - My faith is based on the reality that God is personal and active in this world and in my life
2. I live for Christ consistently, faithfully, and wholeheartedly
  - I accept the reality that I will suffer in this life because I follow Christ
  - I put sin out of my life because it comes between me and God
  - I diligently seek Him and follow His plan for my life
3. I look to Christ as the Champion of my faith
  - Christ is my example of faith
  - Christ blesses me as I walk by faith

## **BOTTOM LINE**

God-honoring faith looks to Christ, walks in obedience, and seeks God in all things.
