Definition of Prayer: Prayer seeks to develop a life changing relationship with God that leads to a transformed life.

God's Place in Prayer

God is sovereign which means we must seek His will and do His work to glorify Him.

God's Power in Prayer

1. Love is the foundation of the Christian faith
2. Love comes from God through us as a witness to the world

God's Purpose in Prayer

God's purpose in prayer is to prepare us for heaven where we will become the holy people God created us to be.

What place does God have in your prayer life?

1. Someone you call on when you have a problem or crisis?
2. Someone you talk to only when you need Him?
3. Someone you seek daily to grow you spiritually and to use you to glorify Him?
