Conclusion:

**“For the type of human nature that each of us possesses is not pure human nature. The true humanity created by God has in our case been corrupted and spoiled. There have only been three pure human beings: Adam and Eve (before the fall), and Jesus. All the rest of us are but broken, corrupted versions of humanity. Jesus is not only as human as we are; He is more human. Our humanity is not a standard by which we are to measure His. His humanity, true and unadulterated, is the standard by which we are to be measured”. -Millard Erickson**
