

JANUARY 2023

Week 4

PRAY UNTO HIS WILL

Bible Reading:

- I John 5:14-15

Self reflection & Meditation:

- In your devotions this month, what have you learned about God? How do you know Him better after spending a month in prayer with Him?
- What areas of your life do you need direction, guidance, and God's power to act?

Devotion

Knowing God and His will is the ultimate purpose for all of this. We pray to God to know Him, to know His will, and to allow Him to speak to us. The Bible tells us that we can have confidence that what we ask according to His will, shall be done. He hears us and knows us. So as you pray this week, pray that you know God more and open up your hearts and your minds because next week we expand upon prayer and we add Bible reading, where we further our knowledge of God.
