

GUARDIANS OF SCRIPTURE

MEMORY VERSE PROGRAM

HERE'S HOW IT WORKS:

1. CHOOSE A THEME

Salvation & Living The New Life

In this theme, you will be memorizing verses that show us the way to salvation through Jesus Christ and how to live life as a follower of Jesus. *When you are done with this theme, you will be able to boldly and confidently share the Gospel with others.*

Walk Through the Old Testament

In this theme, you will memorize verses from the books in the Old Testament. *After you are done with this theme, you will have a greater understanding of the events of the Old Testament, and grow in knowledge of the character of God.*

Walk Through the New Testament

In this theme, you will memorize verses from each of the books in the New Testament. Each verse will represent the overall theme of the book so *when you are done with this theme you will be more confident in knowing what each book is about.*

Praise & Wisdom

In this theme, you will memorize verses from Psalms & Proverbs. After you finish, you will have seen numerous examples of how to praise and worship God and how to make wise choices.

Students have until June 23th to say all 18 of their verse cards

For example, on the first week the student will say card #1.

On the second week, the student will say card #1 AND card # 2.

On the third week, the student will say card #2 AND card #3.

This pattern will repeat until they have said all of their cards twice.

To make sure that the students have truly memorized the verses on each card, they can only recite 2 cards each week.

We will have listeners stationed in the new classrooms downstairs in between services each Sunday. Students can also recite verses on weekdays to staff members.

Because we want to make everything fair for the students, every listener will only be able to give 3 helps per card. If a 4th help is needed, the student will need to start over or come back when they know it better.

If a student picks a level and realizes that it is either too hard or too easy, they can switch to a different level, but this needs to be done on or before Sunday, January 27th

**If you have any questions as to how the program works, contact Ali Apple at the church office
