“WARNING: WOLVES IN SHEEP’S CLOTHING”
MATTHEW 7:15-20

IMPORTANT SAFETY INSTRUCTIONS

When using electrical appliances, especially when children are present, basic safety precautions should always be followed, including the following:

READ ALL INSTRUCTIONS BEFORE USING.
KEEP AWAY FROM WATER.

DANGER: As with most electrical appliances, electrical parts are electrically live even when the switch is off.

To reduce the risk of death by electric shock:

1. Always "unplug it" immediately after using.
2. DO NOT use while bathing.
3. DO NOT place or store appliance where it can fall or be pulled into a tub or sink.
4. DO NOT use near, place in or drop into water or other liquid.
5. If an appliance falls into water, "unplug it" immediately. DO NOT reach into the water.
6. DO NOT use an appliance whose cord has become twisted, bent or otherwise damaged.

WARNING: To reduce the risk of burns, fire, electrocution, or injury to persons:

1. An appliance should never be left unattended when plugged in. Turn off the switch and unplug the electrical cord when not in use. Exception: This instruction is not required for a permanently installed wall-mounted hair dryer.
2. Close supervision is necessary when this appliance is used by, on, or near children or individuals with certain disabilities.
3. Use this appliance only for its intended use as described in this manual. DO NOT use attachments not recommended by the manufacturer.
4. Never operate this appliance if it has a damaged cord or plug, if it is not working properly, or if it has been dropped, damaged, or dropped into water. Return the appliance to a service center for examination and repair.
5. Keep the cord away from heated surfaces. DO NOT pull, twist or wrap the cord around the appliance.
6. Never block the air openings of the appliance or place it on a soft surface, such as a bed or couch, where the air openings may be blocked. Keep the air openings free of lint, hair, and the like.
7. Never use while sleeping.
8. Never drop or insert any object into any opening or hole.
9. DO NOT use outdoors or operate where aerosol (spray) products are being used or where oxygen is being administered.
10. DO NOT use an extension cord with this appliance.

11. DO NOT direct hot air toward eyes or other heat sensitive areas.
12. Attachments (when furnished) may be hot during use. Allow them to cool before handling.
13. DO NOT place appliance on any surface while it is operating.
14. While using the appliance, keep your hair away from the air inlets.
15. DO NOT operate with a voltage converter.

FAILURE TO FOLLOW THESE WARNINGS COULD RESULT IN SERIOUS CONSEQUENCES

Drug Facts

Active ingredient (in each softgel)	Purpose
Diphenhydramine HCl 25 mg	Nighttime sleep-aid

Uses ■ for the relief of occasional sleeplessness ■ reduces time to fall asleep if you have difficulty falling asleep

Warnings
Do not use ■ for children under 12 years of age
■ with any other product containing diphenhydramine, even one used on skin ■ with other drugs that cause drowsiness such as antihistamines and nighttime cold/flu products

Ask a doctor before use if you have ■ a breathing problem such as asthma, emphysema, or chronic bronchitis
■ glaucoma ■ difficulty in urination due to enlargement of the prostate gland ■ heart disease

Ask a doctor or pharmacist before use if you are taking sedatives or tranquilizers or any other sleep-aid.

When using this product ■ avoid alcoholic beverages and other drugs that cause drowsiness ■ drowsiness will occur ■ be careful when driving a motor vehicle or operating machinery

Stop use and ask a doctor if sleeplessness persists continuously for more than two weeks. Insomnia may be a symptom of serious underlying medical illness.

If pregnant or breast-feeding, ask a health professional before use.
Keep out of reach of children. Overdose warning: Taking more than directed can cause serious health problems. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

■ take only one dose per day (24 hours) - see Overdose warning
adults & children 12 yrs & over
One Dose = TWO 25 mg Softgels (50 mg) at bedtime if needed or as directed by a doctor

Other information

■ store at 20-25°C (68-77°F) ■ avoid excessive heat above 40°C (104°F) and high humidity ■ protect from light

Inactive ingredients

FD&C blue 1, FD&C red 40, gelatin, glycerin, methylparaben, polyethylene glycol, propylparaben, purified water, sorbitol, titanium dioxide
