A Summer of Impact & Refreshment

Looking back over the past few months, we have so much to celebrate and be thankful for! God has moved through our church family both inside our walls and out in the community. This summer, we gave our facility some well-deserved TLC with new carpet, freshly painted trim, updated office spaces, and a refreshed church library. Beyond building improvements, we actively served our neighbors through the Community Play Day event, VBS, Nacho Average Family Night, and serving at the Mid-Lakes Association Youth Camp. Thank you, church, for truly being the church this summer!
