PASTORAL SEARCH COMMITTEE UPDATE

The pastoral search committee continues to move forward in their task of finding the next pastor that God would have for Heritage. As many of you know, we had two leads that we had been moving through the process. After some deliberation within the committee and some health concerns with one candidate that had come to light, we decided to not pursue those candidates further. While this may feel like a set back, we know that the Lord is preparing the right man for this position. In fact, in the last few weeks, the Lord has provided many new and promising resumes that we are actively engaging with. We have a lot of momentum moving forward and we remain dedicated to the process. We want to thank you, the church, for your prayers and patience as we continue this search. Lastly, we want to thank Bro. Gary Urich for stepping into the role of interim pastor for the time being.
