Community Christmas

December 10- 12, 2026

Community Christmas Market

December 10 - 12, 2026

We all know the joy of giving. It's what drives many of us to donate or volunteer during the holidays. However, charity often robs struggling families of that same joy. Rather than choosing gifts for local families, our Community Christmas market creates a space where families can shop for their own kids and buy gifts at about 70-90% off retail value. In addition to letting families help support the ministry and make it more sustainable for future years, this model also preserves the dignity of parents by letting them provide for their own children at a price point that works with their budget. Furthermore, every family meets with a staff member or volunteer who gets to know them and their unique gifts and needs, focusing on restoring relationships instead of mere consumerism.

Why Community Christmas?

Welcome to the new Share Your Christmas, or as we at Community Outreach Ministries like to call it, Community Christmas!

Community Christmas is about making parents the heroes of Christmas again. Parents will have the opportunity to shop for their children at a very reasonable cost—70% to 90% off retail. We ask parents to participate in purchasing gifts for their children, which serves three important purposes: it ensures that the child receives a gift they truly want, gives parents the satisfaction of knowing they personally selected their child's gift, and allows Community Christmas to continue for years to come.

Volunteer

Heritage has offered to assist with child care while parents enjoy their time shopping at the Christmas Market. This three-day event will require significant manpower. The child care setup will resemble a Vacation Bible School (VBS), but with a festive Christmas theme!

This is a wonderful chance to reach out to the children and families of Bolivar, particularly those who may not have had the opportunity to hear the gospel.

*Childcare will be available for ages 0-18**, and we will need support in the following areas:

- Snacks
- Crafts
- Music
- Bible lessons for all ages
- Check In/Check Out
- Security

For additional information, please visit the bulletin board in the entryway!

Donate

We will be collecting socks and underwear from Nov. 15 - Dec. 6 for the Christmas Market! All kids sizes are needed as well as adult sizes up to 2XL.

Help Provide Lunch for Set Up Volunteers

COM has big crews from the fire department, police station, etc. come in to help them set up on Dec. 8th and 9th. They've asked us to help provide lunch for these volunteers on these days. We will provide soup & sandwiches on the 8th and Walking Tacos on the 9th. If you would like to help please sign up in the app or contact Larissa Katzer.
