

Prayer Requests

- **Louise Walton Family** - Louise went home to be with the Lord on Monday, February 9th. We will share her service information once it becomes available.
- **Laura Carr** - As of Monday, February 9th - Praising God for some wonderful progress! Laura is getting much stronger—she has walked the hall four times over the last two days and is now able to get up on her own. The doctors are very pleased with how her stomach is healing. Her main hurdles now are a lingering cough and some fatigue, as she still tires out easily. The best news? Doctors are officially starting to discuss her discharge date! Hallelujah!
 - As of Thursday, February 5th - She had a rough night. Laura is running a fever and feeling very hot. The doctors have confirmed she has an infection, but they are still searching for the source.
 - Abdomen: She just had a CT scan to see if there is an abscess. If they find one, they may need to insert a second drainage tube.
 - Neurological: The double vision is still a mystery. They are starting a new medication to see if it helps, and she is currently undergoing a spinal tap for further answers.
 - Other Checks: They've ruled out blood clots in her legs via ultrasound, but she remains very weak and swollen.

*She's being given extra pain medication to help her get through the spinal tap since she has to lie on her stomach. Please keep her in your prayers.

- Gunner Glass - Gunner has RSV and is a pretty sick little boy right now. Please be in prayer for him and his mom, Mistea.
- Ray Becker - There has been a meal train put together for Carolyn and her granddaughter. If you would like to help with a meal [click here to sign up](#). If you would like to send a card to Carolyn her address is 1009 W. Aldrich Bolivar, Mo 65613.
 - Ray Becker passed away this morning, February 2nd. Once service information becomes available we will get it shared. Please be in prayer for Carolyn Noll and her family at this time.
 - They have called in hospice for Ray Becker. Please be in prayer for him and his family at this time.
