

Home Worship Gathering Guide

Sunday May 10th - 10:00am

In preparation for worship service today, we encourage you to gather with your family, friends, or neighbors around your tv or computer. As you do, we would encourage you to pray for the following things.

- The reopening process for our community and nation.
- That God would keep the spread of Covid-19 down as we reopen.
- For God to move in the midst of the isolation, move in individuals and in families.
- For the world to see and recognize who God is, His Power, His Might and understand what He has done on their behalf.

Tune in today at 10:00 am live or on-demand later in the day. Today's service will look different than normal but embrace it. Enjoy the time with your family and capitalize by shepherding those around you well.

SERMON

Today's message will center on **Galatians 5:22-23**

22 But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, **23** gentleness, self-control. Against such there is no law.

Application Questions:

1. What was the "dry place" Jesus pointed out to the woman at the well?
2. How can we cultivate dry places in our lives?
3. What the best way to remove or replace those dry places?

KIDS MESSAGE (more content available via our GMC Kids private page)

This week, kids find out about the special helper God sent at Pentecost to help the disciples (and us!) with God's mission.
