Word of God is a stained-glass window – Our job is to shine the light that shows its beauty

Big Idea - We stand on the unchanging Truth of Scripture

We live in a world where truth moving target – What was true 10 years ago isn't true today

- Modernism = Late 19th – mid 20th looked absolute truths: Science – Religion – Reason
 - Postmodernism = Relativism: There is no standard of Truth...constructed by individuals
- We, as Christians, reject postmodernism and subscribe to an ultimate, unchanging, Truth**

Here is our anchor text for this topical sermon – What the Bible is and what it does

¹⁶All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, ¹⁷that the man of God may be complete, equipped for every good work.

- Paul writing to Timothy...facing pressure to soften message, adjust truth, palatable
 - Paul doesn't tell Timothy: be more creative, strategic, persuasive – stay close Scripture
- I come from the land of tornados – Sirens go off...get into the basement / cellar – Safest**
When the world around us stirs and swells...we get close to where it's safe...The Holy Word

1. The Bible is: Divine in its Inspiration (2 Timothy 3:16a)

All Scripture is breathed out by God - beautiful imagery God exhaling his Words human authors
Inspiration: God supernaturally prompted & guided the authors of the Bible, through their unique personalities, to write exactly what He wanted to communicate

- Divine Origin / Human Instrument – Not collection of good ideas from smart men...God
 - Partnership: Not robots; he used their unique personalities, vocabularies, and styles
 - Guided them so that the final product was exactly what He intended

What does a pipe do? It carries the water, but it isn't the water itself...stay connected spring

Three things that divine inspiration means from several different texts I'll put on the screen

- **Authoritative** – Not good book/historical = supreme standard for faith, conduct, truth
2 Peter 1:20-21 ²⁰knowing this first of all, that no prophecy of Scripture comes from someone's own interpretation. ²¹For no prophecy was ever produced by the will of man, but men spoke from God as they were carried along by the Holy Spirit.'

- Passage cornerstone for understanding why Christians believe the Bible is authoritative
- Peter = "This wasn't just a bunch of guys sharing their opinions; it a divine partnership

The Scripture is the Rule for Existence and is not to be argued or contended with

When the Bible says 'Do this / Don't do that' it has the authority to make those commands
In the military there are commanding officers...The Bible is our four-star general

- Love your neighbor – Seek justice, encourage the oppressed – No other God's before
These are not options to weigh out...they are direct commands from the Lord to be followed

- **Eternal** – The nature of the message, found in the pages of Scripture, is timeless
Isaiah 40:8 'The grass withers, the flower fades, but the word of our God will stand forever.'

This shows a comparison between human frailty and divine stability

Current situation...whatever you're going through is like grass withering – Stands forever

A rock vs sand in your hand – The world is the mighty rock that will last forever

- **Reliable** – 100% certainty that the Bible is going to perform its function every time
Psalm 119:160 "The sum of your word is truth, and every one of your righteous rules endures forever."

- Bible is inerrant & infallible | Bible is w/o error; Bible can have no error – Never wrong
How did we get our modern Bible today...handed down for centuries...do we have evidence

- **Bibliographical** – There are more surviving copies of Bible than any other ancient text
 - New Testament = 5,800 catalogued Greek manuscripts | 19,300 other languages
 - Old Testament = Dead Sea Scrolls 220 manuscripts 3rd century BC
 - Cairo Genizah – Synagogue 10k | Masoretic Tradition – Thousands of later Hebrew
- **Historical & Archaeological Reliability** – For centuries people have tried...and failed
 - House of David was found in 1993 – Hezekiah's Tunnel is still there today | **Every time**
- **Internal Consistency** - Reliability also refers to the cohesion of the message
 - 66 – 40 (Kings, fishermen, doctors, tax collectors) – 1500 years = No contradictions
Despite diversity, the books maintain a consistent narrative arc and theological message
- **Prophetic Accuracy** – There over 300 prophecies fulfilled by Jesus alone – Says Done
The Bible is: Divine in its Inspiration...so we trust it | **Not given life to this book missing**

A core value of the Scriptures is found in this verse...function = make you wise for salvation

- Sacred Writings – Was the Old Testament for Timothy...whole Bible for us (**Caedmon's**)
