Mount Vernon Players • Sanctuary Choir • Full Orchestra

Set in the biblical era at the Bethlehem Inn. A Roman government worker, a young woman working at the inn, and a shepherd from the nearby hills almost sleep through the greatest miracle that ever occurred. Each of their lives are changed as they meet an unlikely couple staying in the stable and realize that this baby truly changes everything.

A Baby Changes Everything

was conceived as a Biblical-era musical with a very contemporary message. Set in first-century Bethlehem, there are numerous parallels between that small, sleepy village and our communities today. We have both allowed ourselves to be lulled to sleep by the temporal pleasures and lies of the world; we have both turned a deaf ear to the angels' song. No wonder so many in both "little towns" continue to sleep through the birth of the Savior. The challenge is clear: We must gently wake up our neighbors and colleagues and loved ones and help lead them through the dark night to the Everlasting Light in the Bethlehem manger. The chorus of Mark Hall's evocative song "While You Were Sleeping" captures this theme perfectly:

*"O Bethlehem, what you have missed
while you were sleeping
For God became a man and
stepped into our world today
O Bethlehem, you will go
down in history
As a city with no room for its King
While you were sleeping..."*

What is an ABF?

An **Adult Bible Fellowship (ABF)** provides you with an opportunity to be involved, known & loved within MVBC. ABF classes provide opportunities for Bible study, building relationships, prayer & service. In short, they provide you with the chance to grow as a follower of Jesus Christ. ABFs are groups of about 8-100 members who meet together each Sunday. The size of these groups makes interactive learning very effective and relationships easy to form.
