Read together: Genesis 3:1-13; 3:21-24

What sticks out?

Where do you feel “guilt” in the story?

Tell us about a time you made a bad decision. What was it? How did you feel? Did you get caught?

Did you feel most guilty when you did it, when you were caught, or that time in-between?

How did it affect the relationships around you during that time?

Why do you think it is important to think about our guilt? Or what our brokenness does in the world?

Do you ever feel distant from God? When are those times? Why do you think you feel distance?

If you have time, do a heart check/quiet time checkup. Ask your group how they are doing in their relationship with God. If they are close praise the Lord, if they feel distant, ask why.
