

Today is quite simple; tell us why you follow Jesus.

Think about your story.

Think about times where you've been baptized or gotten super close to God.

Think about the promises God lays out in scripture.

Think about scriptures that are close to your heart.

Now string that together to tell someone else about it.

So, you don't know if you follow Jesus yet. That is A ok.

Tell us why you come to church.

It could be that your parents make you or your crush is in the youth group.

Maybe all your friends are here and you love the community.

Tell us what you like about Jesus and what more you want to know about Him.

Tell us what some hold ups are to following him.

Now, create an add from all this material about why you should follow Jesus/be a part of MVBC student ministries.
