The Message—Notes

GOD PICKS UNDERDOGS

“God chose things despised by the world, things counted as nothing at all, and used them to bring to nothing what the world considers important.” ~ 1 Corinthians 1:28

In our culture today we are, I believe, conditioned to think that only special people can get stuff done. We teach our kids they can only succeed if someone helps them. We look to celebrities and influencers not so much as role models but with awe of their super powers to excel beyond the rest of us. And we tend to think that only those with exceptional talent or intelligence can make a difference.

It even affects our churches. Maybe I’m the only one who feels it, but I find myself at times looking at things mega churches like Saddleback or Life Church do, and thinking, “Wow, what can Real Life accomplish in comparison!

Even when we read the Bible, we see stories of superhuman courage, faith, and perseverance in the lives of David, Abraham or Job. But the truth is all those people were just ordinary people. God uses ordinary people. In fact, He seems to go out of his way to pick people with little to nothing going for them to accomplish great things so that He will get the glory.

David was just a shepherd boy who was so insignificant that his father forgot about him when the prophet asked to see all of his sons. Abraham twice told kings his wife was his sister because he was afraid they would kill him to have her. Job endured, but he spent a lot of time complaining while doing it.

It’s not about what skills, talents, or influence you bring, but about how willing you are to be used by a Great God Who makes much of little. Surrender yourself to God, however insignificant you are. Let Him use you for His greater purpose, even if it doesn’t look like that much to the eyes of the world.

Love y’all,
Pastor Larry
