Pray for the Aneuk Jamee in Indonesia

- There are a few Aneuk Jamee followers of Christ. Pray for them to spiritually thrive amidst pressure from the Muslim community. Pray they would hold fast to their faith and that the Lord would give them courage to disciple others in the ways of the only savior. Pray that the Aneuk Jamee would be freed from their religious practices that distance them from the Lord. Pray that God would start a movement, bringing Aneuk Jamee families to himself.

ADULT GROUPS ON WEDNESDAY NIGHTS

Register today at www.nfbcauburn.com/adults

The Jordan River Rules: A Journey from Transition to Triumph:

- This group will be led by Doug Milliken.
- Our lives are a series of transitions and stages, that bring what may seem to be insurmountable challenges. No matter our age, or circumstances we can become dismayed. What seems simple to one parallelizes another. The Israelites and Joshua faced challenges at the Jordan River. Moses was dead, they had wondered in the wilderness for 40 years. Now God tells them how to finally move forward. When we reach a stage of life that has us frozen in place and parallelized by fear, weakness, and discouragement, we can learn from Joshua chapter 1 - 6 how God can overcome the darkness in our life, and we can move forward to the joy and promises God has prepared for us.

Discipleship Women's Group:

- This group will be led by Emily VanZee.
- Through this group, we will share life together, read the Bible, and learn what it means to be a disciple who makes disciple-makers. We will also be reading through Growing Up by Robby Gallaty. Our Bible Reading will be through the NEW Testament using a Five day a week reading plan.

Guys Group:

- This group will be led by Jacob Mudd.
- Come join a group of men pursuing Christ in their daily lives. We will examine the scriptures and how they pertain to our lives with a focus on Biblical manhood. This works may seem impossible for a man to navigate. It may seem as though everyone has lost their minds, including you. God's Word had answers. Come explore with us.
