Pray for the Arem in Vietnam

- Pray that a church would be able to develop among the Arem, since they currently have no knowledge of Jesus. Pray that this people's language and culture would not die out, but would remain for years to come. Pray for the Lord to guide and protect the Arem people as they face changes. Pray for openness to knowing Jesus Christ and being discipled in his ways. Ask God to send loving and committed workers to the Arem. Pray for God to do miracles among them that will demonstrate his power and goodness.
