Nehemiah 8-9

- In addition to helping the people _____ in, Nehemiah also needed to help them _____ up and _____ out.
- God wants all of us to experience that too—to not only _____ in, but also to _____ up and _____ out.

- What is God challenging you to do with this for _____?

BEYOND | PRAYER GUIDE

DAY 1 - READ Nehemiah 1:5-7

In light of Nehemiah's prayer of confession for the people, think about ways you have missed out on God's best for your life (failed to listen to him, obey him, follow his lead, etc.). **PRAY** God would help you recognize these things, and spend some time confessing them to him.

DAY 2 - READ 2 Peter 3:17-18

Think about the challenge here, to grow in the grace and knowledge of our Lord and Savior Jesus Christ. **PRAY** God would help you do this—grow in your knowledge of Jesus, your relationship with him, and your experience of his grace.

DAY 3 - READ 1 Timothy 4:7-8

Think about your own spiritual maturity. What kind of spiritual shape are you in? Think about some habits you can develop to help you grow up (Bible reading, prayer, accountability, etc.). **PRAY** that, as you participate in some of these things, God would use them to train you for godliness.

DAY 4 - READ 2 Timothy 2:1-2

Notice the pattern God has given us in this Scripture—that we would take what has been passed onto us and commit to pass it along to others. **PRAY** God would begin to open your eyes to people around you with whom you can do this.

DAY 5 - READ 2 Samuel 24:18-25

Notice how King David, in verse 24, refused to give a sacrifice to the Lord that cost him nothing. As you consider ways God can use you to lead others into a full life in Jesus, **PRAY** God would help you be willing to sacrifice in ways that cost you something.
